HAVE YET TO LEARN LOVE 3

I will
take
care of
it.

Leave
it to
me...

Rest
assured.

And

Young
Lord is
home!

Where
have Master
you
been this
late...

HIM?

You want to keep —

Let me get this straight ...

on a CONCU-BINE?

you are keeping a nameless, filthy boy

I'll entrust
Shuri!

on your
hands!

Master!
Think of
your place!

You are
soon to be
the next head
of the
Honda
family.

If you want
a
concubine,
allow me to
select one
from a
decent
family—

Fujisaki

...Get
me a
seamster!

And a
real
estate
agent!

Heed—

Very
well...

DAMN
...

Once
Master
made up his
mind, even
a thousand
warhorses
couldn't
move him!

My father's companion used to stay in here.

Forgive us!
We haven't finished cleaning this place!

...and compose a letter to Harada-sama.

...Too bright!

How do you like these?

They suit you, Shun!

What a beautiful concubine!

Let our shop best enhance your beauty!

Don't you wish to please Lord Honda?

But this is your duty!

They are for girls!

I...
Don't like bright colors!

Then allow me to prepare something less ornamental.

....

is different!

Munenori-sama...

He's different...

He pilled me

Having no where else to go...

from those animals!

Two pillows ...?!

Er... they have everything set up!

You are not like them...

You must be fired!

After all the ordeals!

It's
been a long
day!

Rest
well!

He's
different!

I was
right!

I have
nothing to
worry...

You let
Master sleep
alone!

Get out
of the
bed!
Clean
up!
Help
Master
dress!

Master
already
finished
his
breakfast!

Shut!
How long
do
you
plan
on
sleeping?

Slept
well?

You're
up, Shuri!

NO—
WON—

So...
sorry!

I
over-
slept!

Yes

Mune-
non-
sama!

That's
enough,
Hareaki!

Who...
who is
he?

Such a
bbsial!

Haraki-sama is the late lord's favorite.

He and Munenori-sama are like brothers...

I am Munenori-sama's cousin from the same maternal grandmother.

Kasuga Haraki is the name.

Fujido...
he's fine as is.

Sa...
sorry!

I'll show you...

With my sword...

Are you good for ANYTHING?!

Thank God! No more sleep on my feet!

How can you be fit for Munenori-sama's companion?!

You aren't
even good
enough to
live as a
samurai.

What
makes
you think
you could
die as
one?

Munenori

I... did
not
ask to
be

I only
asked
him... to
show me

***It's a honorable suicide for a samurai

don't

relative.

...Munenori-

scolding is
under-
stand-
able.

I was wrong!

I see!

be
serving
Master
himself!*

Shun!

Where
were
you all
these
years?

I thought
you were
dead.

I wish
never to
wake
up.

Is this a
dream
...?

"We the warlord lord of the House of Ogasawara
Tokimune, and his army..."

The Battle of Ueno
was a
living hell.

The Shogun
was
squashed by
the Chosro
armed with
modern
weapons.

I was shot
down by
bullets...
and
dying...

Isn't this
what I
wanted?

Isn't
this
my
dream?

To die as a
samurai.

I am
cold...

Dying
like
this?

But my
body
doesn't feel
any pain...

Oh...
Munenari-
sama.

At least,
it isn't
Munenari-
sama dying
here.

How I
wish to
see you
one last
time.

Munenari-
sama...

Or will you
weep for
me?

When
you
wake
up, will
you be
mad
like her?

Please
forgive
me.

I had no
choice.

If I didn't
meet
you...

I am
glad...

I would
never have
known the
meaning of
life...

*To feel
your
heat.*

*I want
to

you*

*In your
embrace.*

*The blood
in my
veins and
The

my body*

*Scream

*I have yet
to tell you
my
feelings.*

*I want to
stay by
your side.*

*I don't

to leave
you!*

*How
much I
love
you.*

*How
fortunate I
was to
meet you.*

*I haven't
had a

*To tell you
all these.*

*I am yours

SHIN MIZUKAMI

Hi and welcome to Erenokids' or "Corner of Heaven" scanlations. These scanlations are purely made by me, Azule, and the aim is to bring all my favorite manga to a broader, English-speaking audience! Most of the manga is translated from CHINESE ones, which are collected through various places (forums, ebooks) etc. They are not super clean or super good quality, but I have tried to "edit" them as much as possible. So these are only non-professional scanlations, and so if the actual manga comes out in English, please buy that instead!

My email is tennokidsscan@yahoo.com.au and please email me if you see any problems with the manga, especially if you are aware of any major glaring discrepancies between the Chinese and Japanese editions; then please tell me so I can fix it. Also if you can catch my Australian vernacular! I think I fixed most of it up but... (I'm not sure)

This manga "Mada Koi Towa Shirazu ni" is a really sweet period romance from Shin Mizukami. This part is rather painful and nasty, but the whole story is really beautiful. I did some research on Japanese history but if you are anything you want to correct, please tell me!
